CAKEWALK

Series A Investor Deck

February 2026

Our mission is to make high-quality employee benefits accessible and affordable for every small business.

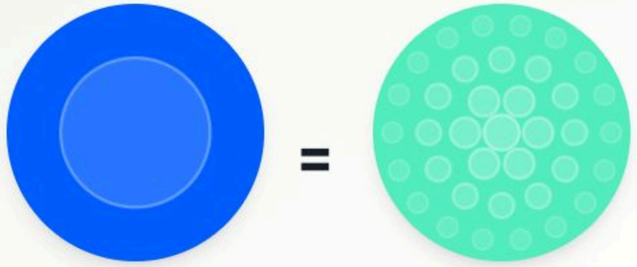
Cakewalk enables all SMBs to offer enterprise grade employee benefits without friction.

SMBs face 40+ steps and 8-12 weeks to get benefits.

Initial Interest 1-2 weeks	Initial Contact 1-2 weeks	Product Education 2-3 weeks	Underwriting 3-4 weeks	Decisioning / Billing 1-2 weeks
"I don't have time for this"	*"Who can I even trust?"*	*"This is way too complicated"*	*"Why is this taking so long?"*	*"This costs way more than I expected"*
"Where do I even start?"	*"Everyone's trying to sell me something"*	*"I don't understand what I'm buying"*	*"What's a census?"*	*"I'm paying more for less coverage"*
"I'm not an HR expert"	*"I'm juggling too many disconnected systems"*	*"The options available are terrible"*	*"Why am I still filling out paper forms?"*	*"Is this really worth it for my team?"*

Cakewalk: Better benefits, in minutes.

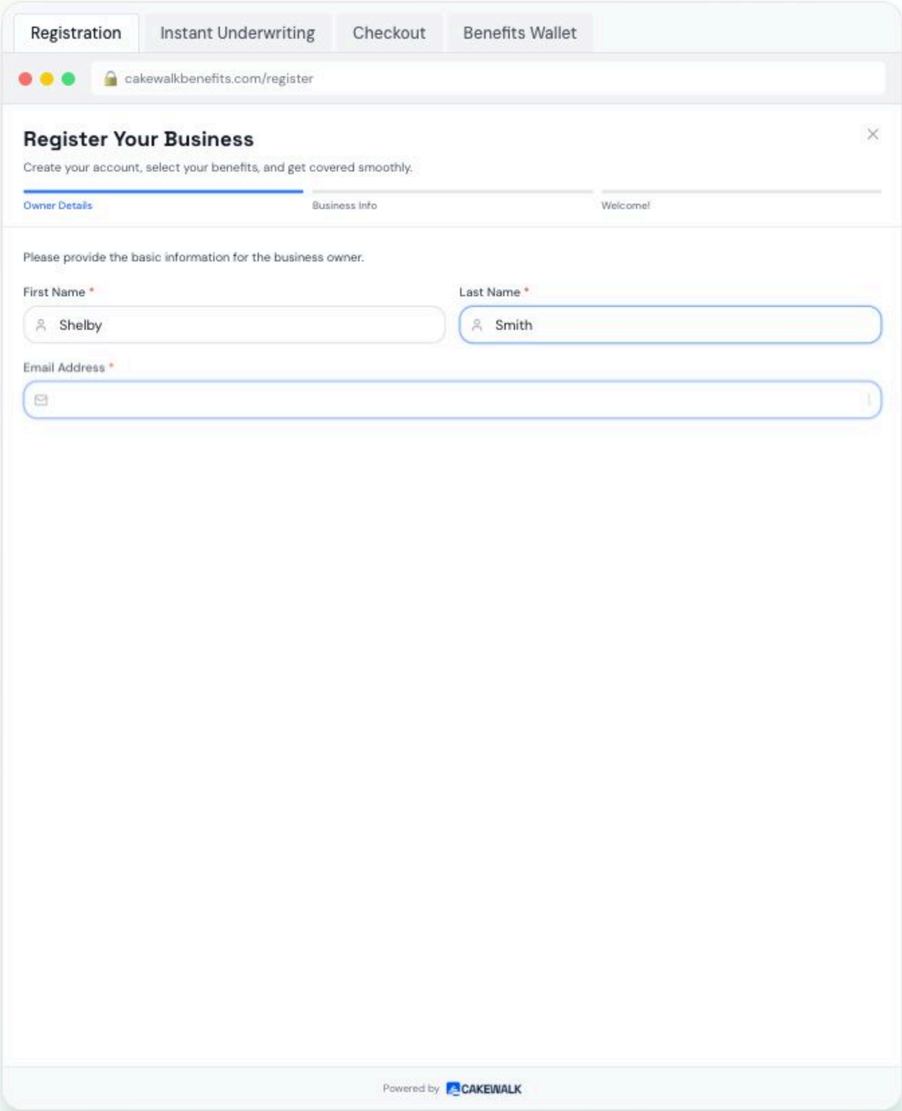
Same Pool, Same Risk, Same Benefits



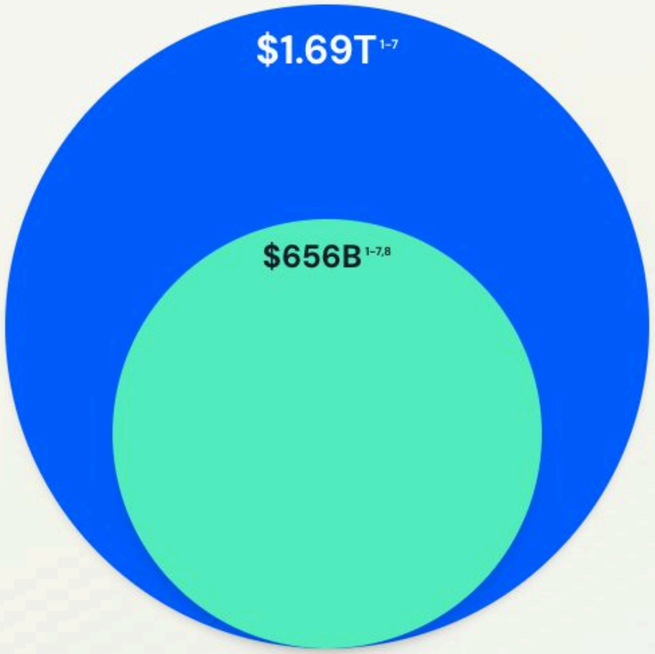
Carrier Validated

Delegated underwriting authority from tier-1 carriers

Prudential MetLife Sun Life



Cakewalk unlocks benefits for SMBs.
The largest overlooked insurance market in the U.S.



Sources Hover to expand

TAM
U.S. employer-sponsored benefits premiums.

SAM
≤50-employee share of employment (38.85%).

Our initial GTM leverages trusted partner led distribution to create a SMB-to-SMB referral flywheel.
